

week two **2** //feb. 15 - feb. 20

I knew a Malchus once.
Severely wounded
by a Peter's sword:
crazed by anger,
dazed by pain,
he thrust aside
with awful pride
that Gentle Hand
whose touch alone
could make him
whole again.
"Have Jesus touch me?
Hell!" he hissed,
"'twas His disciple
swung the sword,
aiming for my neck
and missed;
I want no part
Of Peter's Lord!"

Strong Savior Christ
so oft repelled,
for rash disciples
blamed!

Poor wounded fools,
by pride compelled
to go on living
- maimed!
