

week five **5** //march 7 - march 12

"If we look with the *right eyes*, what we see will cause us to dig into the pockets of our humanity for something more than a little loose change. A sympathetic feeling, maybe. Or a heartfelt prayer. A kind word. A gentle touch. An understanding smile. Perhaps a listening ear. A hot meal, if only for a day. A shelter from the storm, if only for an evening. And why? Why should we stop? Why should we look? Why should we enter the picture? Because it was what Jesus did. And what he would do if He were here. It is to those people He came. And to those people He wants to come again. But He is in heaven. And if He is to come to them at all, it must be through us. We can't do everything. But we can do something. And if it is done in His name, even if it's a very little thing, it is something beautiful."
